Transfer Agreement
between
Curry College Division of Continuing Education & Graduate Studies
and Cape Cod Community College

Associate in Arts Degree with a Concentration in Psychology
to
Bachelor of Arts Degree with a Major in Psychology

This Agreement is designed to serve graduates from Cape Cod Community College (CCCC) who seek to complete their Bachelor of Arts degree with a major in Psychology through Curry College's Division of Continuing Education.

This Agreement guarantees CCCC graduates who earn an **Associate Degree with a concentration in Psychology** acceptance into Curry College's **Baccalaureate Degree with a major in Psychology** offered through its Division of Continuing Education. This Agreement guarantees that Curry College will accept all credits awarded to fulfill CCCC's Associate Degree requirements in Psychology. This Agreement applies to students who enroll in Curry College's Division of Continuing Education programs offered in both Milton and Plymouth.

Under this Agreement, Cape Cod Community College graduates can transfer all 62/63 credits earned in their Associate Degree and up to an additional 27 credits towards the 120 credits required to earn a Bachelor of Arts degree with a major in Psychology from Curry College. To support a seamless transition into this major, Curry's Continuing Education advisors will provide academic advisement services to prospective CCCC students regarding degree completion requirements.

This Agreement is effective on the date signed and will be reviewed at least every two years to update as needed and to advise each Institution of its intention to continue the Agreement.
