| **Total Credits** | | **60** | |

**The Associate in Arts degree does not indicate a specialized degree in a concentration.**

## Overview
The Visual Arts Concentration provides necessary fundamental courses resulting in a quality portfolio of artwork ready for transfer and articulates precisely with the University of Massachusetts-Dartmouth Fine Arts 2D Painting or 3D Sculpture. Students may also choose to transfer to other colleges or universities to continue their Bachelor of Fine Art (BFA) or Bachelor of Arts studies.

## Career Outlook
Careers in the Visual Arts are constantly changing but could include electronic imaging, graphic design, illustration, teaching, museum and gallery work, display, advertising, and industrial design, as well as the areas of painting, printmaking, sculpture and performance art. It is recommended that students complete this concentration and transfer to complete a bachelor's degree.

It is recommended that students check with the Transfer Advisor for other transfer options.

## Articulation Agreements
Upon completion of this concentration as outlined, students are guaranteed the transfer of credits to:

- Bridgewater State University
  Art Program
- University of Massachusetts-Dartmouth
  Fine Arts - 2D Painting
  Fine Arts - 3D Sculpture

For details regarding these Articulation and Transfer Agreements and others, please visit www.capecod.edu/web/transfer.
