Dear CCCC Student,

Welcome to Cape Cod Community College. This letter is to inform you that the Commonwealth of Massachusetts General Law 105 CMR 220.600 requires all **Full Time** (12 or more credits) and all Health Science students to provide records of immunizations. **Health Science students require additional immunizations**.

MUST BE RETURNED 30 DAYS AFTER REGISTRATION!

Failure to provide this documentation may prevent you from pre-registration for future classes, receiving your final grades and/or transcripts.

PLEASE ASK YOUR PRIMARY CARE PROVIDER TO COMPLETE THE ENCLOSED FORMS DOCUMENTING APPROPRIATE IMMUNIZATIONS.

1. **Hep B:** Three doses of Hepatitis B vaccine. The pediatric two dose Hep B series is acceptable upon proper and clear documentation of the type of dose, and dates given.

2. **MMR:** Two doses of live measles, mumps and rubella vaccine. These doses must be given at least four weeks apart beginning at or after twelve months of age. Birth before 1957 in U.S. is acceptable for college students, **except health science students.**

   Proof of Immunity Satisfies Requirement:
   In the case of Hepatitis B and Measles, Mumps and Rubella, the student provides laboratory evidence of immunity.

3. **Varicella (chickenpox):** Two doses of live varicella vaccine. These two doses must be given at least four weeks apart beginning at or after twelve months of age, or the student provides laboratory evidence of immunity to chickenpox, or a statement signed by a physician, nurse practitioner, physician assistant, or designee that the student has a reliable history of chickenpox disease. Birth before 1980 in U.S. is acceptable for general college students, **except health science students.**

   ***Only two doses of live varicella vaccines or laboratory evidence (titre) of immunity is acceptable for health science students.**

4. **Tdap:** a single dose of Tetanus w/Pertussis (Tdap) if it has been more than five years since the last dose of Tetanus/diphtheria (Td). If it has been less than five years since the last dose of Tetanus, Tdap will not be required.

These immunizations are required by Massachusetts General Law 105 CMR 220.600. Failure to provide this documentation may prevent you from pre-registration for future classes, receiving your final grades and/or transcripts.

This documentation can be faxed to 508-375-4039 to the Attention of Student Immunization Records, mailed to Student Immunization Records, Registration Office, 2240 Iyannough Road, W. Barnstable, MA 02668, or you can drop off your documentation to the Student Immunization Records office Monday thru Friday 8:00 am – 4:00pm.

Please be certain that your name is clearly marked on the record and please include your student ID number. You will be notified of any issues by a phone or college email.

If you have any questions, contact the **Student Immunization Records Office at 508-362-2131 x4331**.

Thank you for your anticipated cooperation and again welcome to Cape Cod Community College.

Sincerely,

Sandra Brito
Registrar
