	Natural or Physical Science	4	
	Elective	3	
	Elective	3	
Total Credits		61	

The Associate in Arts degree does not indicate a specialized degree in a concentration.

Overview

A student who chooses the World History concentration will develop intercultural competencies and modern language skills. Courses address learning needs related to the global realities of the twenty-first century. A student who completes this concentration will be prepared for transfer to a bachelor's program.

Career Outlook

The World History concentration gives a student a strong foundation for further studies in the areas of government, diplomacy, international law or business, political science, research and teaching within the humanities or social sciences. Students should note that entry-level job requirements in these areas almost always call for a minimum of a bachelor's degree.
