Associate in Science

Business Administration Program - Accounting Concentration

Business Administration Program Overview

Students in the Business Administration Associate in Science degree program acquire a wide range of knowledge to prepare them for various positions in the business arena. Concentrations in Accounting, Hotel Restaurant Management, Management, and Marketing provide an in-depth education.

Career Outlook

Currently, there is an excellent opportunity for students desiring to enter the field of management to have the career of their choice. Students completing a concentration in the A. S. degree in Business Administration are prepared for many exciting entry-level management positions.

Accounting Overview

Students in the Accounting concentration acquire a solid background in the areas of cost accounting, general accounting practices and tax accounting.

Career Outlook

Students completing the Accounting concentration are prepared for a variety of career options requiring a two-year degree in business, non-profit, and public accounting firms.

Program Outcomes

Upon completion of the Accounting concentration, students will be able to:

- Use financial statements in decision making
- Create and maintain computerized accounting records for a business entity
- Work effectively at an entry-level accounting position
- Analyze and record basic accounting transactions for proprietorships, partnerships and corporations
- Understand the accounting cycle for service, merchandising and manufacturing businesses
- Prepare, analyze and interpret financial statements
- Evaluate tax situations and apply appropriate tax law for informed and responsible moral choices
- Identify situations in accounting that demonstrate the importance of ethical behavior by the accountant to ensure accounting information is accurate, complete, relevant and reliable
- Describe the basic elements of budgeting process, its objectives, and its impact on human behavior
- Apply quantitative reasoning to evaluate capital investment and budgeting decisions.

Note: Students intending to transfer to a bachelor program should discuss options with a professor in the Accounting concentration.
