

## STUDENT SENATE

The Student Senate is comprised of elected students representing the needs and best interests of students; encourages and provides for the participation of all students in the issues and policies that affect their rights and responsibilities as members of the College family. Students are strongly urged to attend Student Senate meetings, to become involved with the Student Senate and to bring to the Senate's attention any questions or concerns regarding student's rights and/or responsibilities.

There are 21 student senate positions. Five officer positions, ten senator positions and five senator at large and one student trustee position.

Students involved in the Student Senate will have the opportunity to participate in various college activities, gain self-confidence, increase communication and networking skills, develop leadership potential and make lasting friendships with fellow students.

The Student Life & Co-curricular Programs Office is the place to find out how to get involved. This office is responsible for the formation, development, and continuation of clubs and organizations, Activity Hour (Wednesdays from 2:00 to 3:15 pm), Club Day Luncheon and Presidential Student Ambassadors. There are a wide variety of clubs and organizations available, and students are encouraged to attend the many entertaining performances and films sponsored by this office. Drop by and see how you can get involved.

The Student Life office also supervises the Student Senate. Taking an active role in student activities is a valuable part of your educational experience. Through the Student Senate, you have the opportunity to participate in the overall direction of student concerns, programs, and activities.

In addition, the office schedules cultural and entertainment events, manages the Student Senate elections, organizes field trips, and assists clubs and organizations in promoting upcoming events. It also creates Student ID's.
