July 4 Independence Day observance

### Fall Semester 2011 • September 6 - December 19 Registration for the Fall Semester begins April 25

The College reserves the right to make changes in the published academic calendars. Students and staff will be notified if changes must occur. The above dates represent a traditional semester. It is the responsibility of the student, should it apply, to be aware of any special "due" dates associated with those courses which do not fit into the traditional semester.

For information on enrollment, including registration, tuition, and fees, visit pages 5 & 6

#### **WELCOME**

Kathleen Schatzberg, President Cape Cod Community College

One College - One Community

This is an exciting year at Cape Cod Community College as we celebrate our 50th anniversary. Our extraordinary past is all about community and our commitment to students, and today you'll still find no place in higher education more committed to putting you and your education first. Courses are taught by caring professionals, and individual attention is the norm not the exception. Student advising, counseling, and tutoring are equal partners in your academic program.

If your goal is getting the most out of your college experience, there is no better place for you than right here. We can be the perfect complement to your summer on the Cape.

By starting here, you can take your life anywhere; and we challenge you to do just that. We all wish you great success.

- 2) have your Visa, MasterCard or Discover card and expiration date ready,
- 3) then call 508-362-2131 x4711 or toll free at 877-846-3672, Mon.-Fri., 8:30am-4:30pm.

June Intersession June 6 - June 24

**Summer Session** June 27 - August 12

#### To Register By Mail

Please supply all the information requested on our registration form (see last page). Payment can be made by personal check, money order, or with Visa, Discover or MasterCard.

#### Mail the completed form and your payment to:

Cape Cod Community College Registration Office 2240 Iyannough Road West Barnstable, MA 02668-1599

#### To Register By FAX

- 1) complete the registration form on the back page.
- 2) transmit the registration form by dialing 508-375-4084. Visa, MasterCard and Discover are acceptable by FAX.
- 3) registration confirmation will be mailed to you within 10 business days.

#### **Admissions Information**

Our dedicated staff is available to assist you Monday-Friday, 8:30am to 4:30pm and Wednesdays until 7:00pm

Need an admissions application? Download one today at www.capecod.edu/web/ admissions/application or call 508-362-2131 x4311.

Want to learn more about Cape Cod Community College? Campus tours and information sessions are offered on a regular basis. Please join us for the **Annual All College Open** House on Friday April 29 from 2:30 to 5:00pm.

To register for a campus visit or Information Sessions, please log-on to www.capecod. edu and select "Enrollment Services" from the homepage. Select "Admissions" and then the "Campus Visits" link, or call the Admissions Office at 508-362-2131 x4311.

On-spot Admissions Interviews with an Admissions Representative will be held on Saturday, June 11 from 2:00 to 6:00pm

#### **Services For Adult Learners**

South Building, Room 212

Cape Cod Community College assists baby boomers as they explore career goals, re-train for a new career, transition to college, succeed in college, and search for and find jobs. We offer advising support tailored to the needs of adult students.

#### **Adult Services Staff**

Dr. Jacquie Scarbrough, Adult Learner Advisor x4807 Linda Willoughby, Adult Learner Advisor x4354 Paula Fay, Adult Learning Specialist x4810 Dawn Harney, Career Placement Specialist x4336

#### www.capecod.edu/web/advising/adult-learner **QUESTIONS?**

Call the Advising and Counseling Center at 508-362-2131 x4318.

#### **Tuition & Fees**

#### Charges per credit hour for Massachusetts residents

luition	Ş	24.00
Fees	\$.	127.00
Example:		
One 1-credit course	\$	151.00
One 2-credit course	\$	302.00
One 3-credit course	\$	453.00
One 4-credit course	\$	604.00

# Charges per credit hour for non-Massachusetts residents

Tuition\$	230.00
Fees\$	127.00
Example:	
One 1-credit course\$	357.00
One 2-credit course\$	714.00
One 3-credit course\$1	,
One 4-credit course\$1	,428.00

#### Refunds\*

#### Refunds will be issued as follows:

- 1) A student who withdraws before the first scheduled class is entitled to full refund.
- 2) A full refund is made if a course is cancelled.
- To withdraw from a course after the first scheduled class, follow the Withdrawal Policy as outlined in the Student Handbook.

# Refer to the Calendar on page 2 for the refund dates.

- \* NOTE:
  - The above refund policy does not pertain to courses that meet for fewer than five sessions.
  - The refund policy for non-credit courses and some credit courses varies.

Tuition and fees are subject to change by vote of the Board of Trustees and/or the Department of Higher Education. Because this document must be prepared months in advance of the semester, please check the College's web site www.capecod.edu for current information on tuition and fees.

Some courses and programs have special fees.

The Business Office will not send you a bill. You can log into your Campus Web account with your college issued Username and Password at http://campusweb.capecod.edu, choose the "Academics" tab, then "My Finances" to see how much you owe. Once there you can:

• Pay in full

OR

Mail your payment to:

 Business Office
 Cape Cod Community College
 2240 Iyannough Road
 W. Barnstable, MA 02668

OR

 Pay in person at the Business Office.
 We accept Cash, Checks, MasterCard, Visa and Discover.

OR

• Call the Business Office to pay by credit card.

Students who fail to pay tuition and all fees in full by the due date will be subject to cancellation of their class schedule. Past due accounts referred to collection agencies are charged legal fees, plus collection company fees and other costs. Collection costs can be as high as 40% of the past due balance.

Because of the self-supporting nature of Continuing Education, the College reserves the right to cancel any course, to restrict the registration in a course, to reschedule a course, to section a course, to provide additional instructors for any course which is deemed overcrowded, and to change instructors when necessary.

Registered students may pay online using their Username and Password https://campusweb.capecod.edu

#### **Basic Skills Assessment**

The purpose of the Skills Assessment is to assist you in identifying your academic strengths and weaknesses in English, reading comprehension, and mathematics. The results will help to determine your appropriate course level.

Skills assessments must be taken by students enrolling in accounting, English composition, mathematics or science courses, and any other course with a prerequisite requirement. Exceptions will be made for students who have successfully completed comparable college courses and have their transfer credits on file at the Registrar's Office

For students submitting an application to the Admissions Office for matriculation into the College,

the assessment is mandatory unless prior course credit or test results are available and valid.

If you have recently applied for admission for the Fall 2011 semester, you will receive specific information regarding your Assessment/Advising and the registration process. Please **DO NOT** schedule an appointment for the dates below.

Assessment appointments for **non-matriculated students only** are available at 4:00pm (one subject area only: English/reading comprehension **or** mathematics), 5:30pm or 6:00pm (all subject areas) on the following Wednesday evenings:

May 11, May 18, May 25
June 1, June 8, June 15, June 22
Assessment Center • 508-362-2131 x4543
www.capecod.edu/web/assessment

### **June Intersession 2011**

**JUNE 6 - 24** 

Intersession courses are offered during the breaks between regular semester sessions. Classes typically run 3 weeks or less. Students are able to increase their credit hours for the upcoming semester, complete a general education requirement or course elective, or enroll in special or personal interest courses. Students can also use intersession courses to get ahead in their studies.

For course descriptions, visit www.capecod.edu.

#### **INTERNATIONAL STUDIES**

#### Faculty-Led Short-Term Study Tours 2011-2012

French Language & Culture

\*Approximate Dates: Dec. 31, 2011 - Jan. 14, 2012

This two-week French immersion study tour to Montpellier, France benefits students at all levels: beginner, intermediate, and advanced. Participants stay in a private room with a French host family, share breakfast and dinner with them, take morning French classes at the Institut Linguistique Adenet, attend cultural events, and participate in regional field trips. FRN122 3 credits Instructor: Lore Loftfield De Bower

\*Estimated cost: \$2,400 (includes tuition), plus airfare.

Italian Language & Culture

\*Approximate Dates: Dec. 31, 2011 - Jan. 14, 2012

This two-week Italian immersion study tour to Florence, Italy benefits students at all levels: beginner, intermediate, and advanced. Participants will be accommodated in the homes of host families with half-board (breakfast and dinner), take morning Italian classes at a Language Institute, attend cultural events, and participate in regional field trips. ITL122 3 credits

Instructor: Rosanna Preziosi

\*Estimated cost: \$2,400 (includes tuition) plus airfare.

\*Dates and costs are subject to change.

For more information and applications for study tours and semester abroad programs, contact Lore Loftfield De Bower at 508-362-2131 x 4456 or email: ldebower@capecod.edu

#### **SUMMER SESSION 2011**

JUNE 27 - AUGUST 12

Prerequisite courses are established to assure students have the necessary knowledge and skills to succeed in a course. You are required to complete (or be currently enrolled in) prerequisites prior to registering for the next level course. If prerequisites were completed at another college, a transcript will be required for permission to enroll in those courses with a prerequisite.

**Important!** Students registering for health career courses must provide complete documentation of required immunizations prior to start of classes. Go to www.capecod.edu/web/health/forms or call Health Services at 508-362-2131 x4331 for more information.

Any student taking online courses or courses with online components will be responsible to have access to both the Internet and a computer running Internet Explorer v5.5 or higher. Please visit **www.capecod.edu/online** for more information about online course requirements.

# Current Students: Register Online at www.capecod.edu - click on Campus Web

New Students: visit www.capecod.edu/Summer for up-to-date course information. To register call, or visit the Registration Office: 508-362-2131 x 4711

#### O'Neill Center for Disability Services

The O'Neill Center for Disability Services provides accommodations to qualified students with documented physical, psychological, and/or learning disabilities.

The Center works collaboratively with faculty and other campus resources to provide a wide range of support services which may include priority registration, academic counseling, tutoring, note taking, sign language interpreters, adaptive computing, computer-based cognitive enhancement, and exam modifications. Students are encouraged to meet with a disability specialist before the start of their first semester to develop a support services plan.

Contact: David Mishkin, Coordinator, O'Neill Center for Students with Disabilities South 222 • 508-362-2131 x4337

#### **ONLINE COURSES**

The Office of Online & Learning Technologies offers a variety of e-courses which allow flexible schedules. Class lectures are viewed via the Web, assignments are submitted by fax, mail or over the Internet, and testing is scheduled on a flexible basis. Materials for online courses or courses with online components may be available from the Web via Moodle, 4C's Learning Management System.

The Office of Online & Learning Technologies is located in the Lorusso Applied Technology Building, Rm215. Orientation and introductory materials are mailed to students prior to the start of classes. Most of the online courses require proctored exams. Students should contact the Office of Online & Learning Technologies to schedule exams, 1-508-375-4040.

#### **HONORS PROGRAM**

The Honors Program provides students and faculty with opportunities to enrich their learning experiences at  $\mathsf{CCCC}$ . Highly motivated students can pursue independent research, collaborate with faculty and fellow Honors students, develop critical thinking skills, and prepare for advancement to Commonwealth Honors Programs. The Honors Program offers the student three levels of involvement: admission to the full program, admission to an Honors course, or the development of an additional learning experience in a regular course.

Requirements to Become a Commonwealth Honors Scholar include: A cumulative grade point average of 3.2 or higher; Three Honors courses (nine credits) with a grade of B or higher; One three-credit Honors Colloquium that is interdisciplinary and team-taught for students who have successfully completed at least 12 credit hours at Cape Cod Community College with a 3.2 CGPA or higher.

For further information contact the Honors Coordinator, Delores Bird at dbird@capecod.edu or 508-362-2131 x4658, Tilden Arts Center 218.

#### **CLEP**

#### **College Level Examination Program**

CLEP examinations cover material taught in courses that most students take as requirements in the first two years of college. Students may earn up to (6) college credits for each CLEP examination completed successfully. Cost: \$77 each plus \$15 administrative fee. Registration bulletins are available at the Registration Office, Advising Center, and the Assessment Center.

www.capecod.edu/web/assessment Assessment Office • 508-362-2131 x4543

Exam Dates: Register by:
June 25 June 10
July 23 July 8
August 27 August 12

#### **Computers for Seniors**

Computers for Seniors, Inc. is a non-profit, Cape Codbased, all volunteer organization with a mission to offer computer education for Cape Cod residents ages 50 and up.

Monthly meetings are held at the Dennis Senior Center on Route 134 at 1pm usually on the first Thursday of each month. Meetings are open to the public.

508-428-1052 • www.cfscapecod.com

#### **PACT Program**

#### **Program for Adult College Transition**

A program designed to transition non-native English speakers and others into college.

#### **PACT** offers:

- · Two courses for college credit
- Free tuition and books
- Tutoring and advising services
- Full access to all resources at CCCC

Call Rosanna Preziosi at 508-362-2131 x4995 or rpreziosi@capecod.edu

#### **Project Forward**

Project Forward is a vocational training skills program for students with significant learning difficulties. Courses are designed to help students gain employability skills through a combination of classroom instruction and "real world" work site learning experiences. Project Forward has received national, state, and local recognition as an exemplary school-to-work model by the U.S. Department of Education and by 4H/UMass-Amherst for its Peer Leadership program.

#### **Vocational courses**

- Basic Food Preparation
- Maintenance /Landscaping & Horticulture
- Office Technology
- Mass Communication
- Child Care Assistant
- Animal Care Assistant
- Café Management/Customer Service
- Basic Retail
- Hospitality

To apply, please contact Peter Daley at 508-362-2131 x4763 or email to pdaley@capecod.edu

#### INTERESTED IN CHANGING YOUR DIRECTION?

For reservations call the Advising & Counseling Center: 508-362-2131 x4318 email: advisingcenter@capecod.edu

### The Children's College

The Children's College is a small friendly school dedicated to making each child's school experience warm and positive. The center is staffed with certified early childhood

professionals who work together to make sure every child feels welcome and safe. Located in the Life Fitness Complex at CCCC, the environment provides stimulating, challenging materials and activities for children from 2 years 9 months to 7 years of age. The center is open Mon. - Fri., 7:15am – 5:15pm.

### Cape Cod Community College Mission Statement

The students' education is the first priority at Cape Cod Community College. As a learning-centered community, we value the contributions of a diverse population, welcome open inquiry, and promote mutual respect. The College offers a strong educational foundation of critical and creative thinking, communication competency, and a global, multicultural perspective that prepares students for life and work in the 21st Century. Our liberal arts, sciences, and career programs provide educational pathways that serve the varied social, economic, and demographic characteristics of our community with a distinctive focus on sustainability. We honor our past, celebrate our present, and imagine our future.

#### NON-DISCRIMINATION POLICY STATEMENT

Cape Cod Community College policy prohibits discrimination in education, employment, and services on the basis of race, ethnicity, religion, sex, marital status, national origin, ancestry, sexual orientation, or disability. For policies on Affirmative Action, Diversity, and Sexual Harassment, see the Affirmative Action Statement: www.capecod.edu/hr/affirmative-action

#### **SUMMER 2011 GUIDE**

#### To register for a WERC course, please call 508-375-4012

Discover a local hidden jewel, the Workforce Education Resource Center (WERC) at Cape Cod Community College. No need to travel off Cape or even leave the comfort of your own home, we offer nearly three-hundred online and instructor led courses that are affordable and convenient. There is something for everyone which will give you a new and fulfilling learning experience. Payment plans are available.

WERC is the premier training resource for local businesses, organizations, and individuals of Cape Cod, Martha's Vineyard, Nantucket, and Southeastern, Massachusetts. WERC assesses, designs, and delivers customized training in information technologies, management skills, customer satisfaction, professional development, real estate, health education, and offers several courses which lead to national recognized certifications!

#### **Top 3 Reason You Should Continue Your Education with WERC!**

- 1. **Earn a Higher Salary.** According to the Bureau of Labor Statistics, the more training and education you have, the more money you make. Do you wonder how much more you could be earning? This is incentive enough to continue your education.
- 2. **Become More Marketable.** An excellent way to demonstrate to employers that you are committed to your career is by going back to school. By investing in continuing your education, you will send a powerful message to employers that you are serious about improving your education and applying new skills to your job therefore increasing your long-term value!
- 3. **Advance Your Career.** If you are considering switching careers, one of the best ways to learn more about a potential field is through a non-credit course. By continuing your education, it can help you better understand what the new career entails and how to apply your current skill set in the new position.

#### **COMPUTER TRAINING**

\$89

\$89

#### **Adobe Photoshop** WIT006-64 Tues.

6/14 & 6/21

3:00 PM-6:00 PM Students learn all about the tools and palettes in Adobe Photoshop CS3 and use the tools at their computer work stations to create imagery.

#### Quick Books Pro \$89

WIT007-65 Fri 7/22 10:00 AM-5:00 PM This course is designed for the small to midsize office manager who enjoys Quicken's ease of use but prefers a more traditional approach to accounting. Learn how this well-designed program can help you set up a chart of accounts, reconcile checking accounts, create and print invoices, receipts and statements, track payables, create estimates and generate reports. Some basic accounting knowledge helpful.

#### Adobe Dreamweaver

WIT023-64 Wed. 6/1 & 6/8 6:00 PM-9:00 PM

Learn to use this professional visual editor to create and manage web sites and pages. Students learn to use Dreamweaver's advanced design and layout tools including DHTML features such as animated layers and behaviors.

#### Microsoft Outlook \$89

WIT035-63 Wed. 6/29 10:00 AM-5:00 PM This course covers the basic functions and features of Outlook 2007. Students create e-mail accounts and send e-mail messages using several techniques. They also learn how to manage e-mail messages, contacts, tasks, and meeting requests. Finally, students customize Outlook for maximum efficiency.

#### **Microsoft Excel Introduction**

\$89

WIT034-64 Thurs. 7/7 & 7/14 3:00 PM-6:00 PM

An intensive workshop designed to introduce the basics of the electronic spreadsheet. Participants learn to create and edit simple spreadsheets, build formulas, create and use functions, copy and paste, format, and print.

### **Web Page Development Introduction \$89** WIT043-64 Wed. 7/27 & 8/3

6:00 PM-9:00 PM

This course covers the basics of web page development using Hypertext Markup Language (HTML). Topics include: planning and designing a web page, basic programming skills using HTML, establishing links in a document, adding graphics to a document, publishing web pages, and an overview of online services for publishing. Prerequisite: Intro to Windows or equivalent.

#### ONLINE MEDICAL TRAINING- AAPC • ASHIM • Career Step

The healthcare industry offers the largest and fastest-growing employment opportunity on Cape Cod today. The Workforce Education Resource Center at CCCC is proud to announce a wide variety of new non-credit healthcare programs to either help you advance your career or to give you the opportunity to obtain an entry-level position in healthcare services.

#### Several AAPC courses include national certification exams!

WERC has partnered exclusively with the American Academy of Professional Coders (AAPC) to provide medical coding education and professional certification for medical coders and to elevate industry standards here on the Cape and Islands by providing student training, nationally recognized certification, continuing education, networking, and job opportunities.

AAPC credentialed coders have proven mastery of all code sets, evaluation and management principles and documentation guidelines. Certified Professional Coder's (CPC) and other AAPC credentialed coders represent the best in outpatient coding. All certifications provide a working knowledge to support cleaner claim submission resulting in more accurate coding, faster reimbursement and fewer denials.

#### Certified Professional Coder WPG063-63 Physician Based - Preparation Course

Register now! Course starts June 1
Student learn principles of medical coding related to the three main coding manuals: CPT, ICD-9-CM and HCPCS Level II. This course is recommended for anyone who is preparing for a career in medical coding for a physician's office and strongly recommended for anyone who is preparing for the AAPC's CPC certification examination. \$1499. For more information visit our website www.capecod.edu/web/werc/online-learning.

#### Certified Professional Coder® WPG062-63 Outpatient Hospital - Preparation Course

Register now! Course starts June 1
When coding in the hospital setting, reimbursement is based not on professional services provided, but the resources used during the patient encounter. This course covers coding fundamentals, along with the Outpatient Prospective Payment System - the payment method used by most payers in the hospital outpatient facility. Recommended for those interested in medical coding for an outpatient facility setting and for anyone who is preparing for AAPC's CPC-H certification examination. \$1499.

WERC has partnered with the leading association for technical professionals who specialize in health IT, ASHIM's online course in Health Informatics is the fastest way to improve your career outlook and your job performance. The training program covers today's most relevant health IT content as it jump starts students into high demand jobs by providing the skills and knowledge employers need now. In as little as 16 weeks, students can advance their career with the ASHIM Online Health Information Technology Professional Course with the flexibility to learn at their own pace.

# Health Information Technology WPG056-63 "Health Informatics"

Online course, registration ongoing
This course provides the skills required to
support physician adoption of Health IT. It provides an examination of healthcare technologies, tools used in managing patient information; including capture, retrieval, and use of
patient data in making medical decisions. It
includes activities to reflect the way one area
of Health IT knowledge blends into another,
including: networking and information exchange, structure and terminology in health
care, Electronic Health Record, and standards
in Healthcare technologies. \$1595.

#### Fast Track for Healthcare Professionals WPG057-63

Online course, registration ongoing
This course is designed for healthcare professionals with limited IT experience, providing the skills to support physician adoption of health IT. It provides an examination of healthcare technologies, tools and methods used in managing patient information; including capture and retrieval of patient data in making medical decisions. Its activities include: networking and information exchange, structure and terminology in health care, Electronic Health Record, and standards in Healthcare technologies. \$1295.

#### Fast Track for Health Information Technology WPG059-63

Online course, registration ongoing
This course is designed for IT professionals with limited healthcare experience. It provides the skills required to support physician adoption of Health IT. This course provides an examination of healthcare technologies, tools and methods used in managing patient information; including capture, retrieval, and use of patient data in making medical decisions. Course activities include: networking and information exchange, structure and terminology in health care, Electronic Health Record, and concepts of quality improvement. \$ 1295.

#### **Career Step Information Sessions**

Thursday, June 9, 2011 2:00 pm & 6:00 pm Hyannis Center, 540 Main St, Hyannis Register/Pay within 6 weeks of the Information Session and receive a

# **FREE LAP TOP COMPUTER!**The information session includes a

The information session includes a discussion of the medical transcription industry and training programs. The U.S. Dept of Labor projects significant growth for this sector and there are many attractive career opportunities for well-trained professionals. Come to the information session and get answers to questions about career opportunities, industry growth, and the training programs.

#### Medical Transcription WPG055-63

Online course, registration ongoing
The Medical Transcription online program
helps students develop the knowledge
and skills of quality medical transcriptionists, specifically focusing on keyboarding,
language and grammar, and medical terminology. The online platform provides 24/7
access to curriculum, allowing students to
study on a schedule that fits their individual
lifestyles. \$1890.

#### Medical Transcription Editor WPG054-63

Online course, registration ongoing
The Medical Transcription Editor online
training program helps students develop
the knowledge and skills of quality medical
transcriptionist in addition to the specialized
skill set of medical transcription editors.
Students focus on keyboarding, medical
terminology, language and grammar, and the
editing skills required to work with speech
recognition technology. \$2390.

#### Pharmacy Technician WPG061-63

Online course, registration ongoing
Be a part of a rapidly growing industry and train for a new career as a pharmacy technician. This online training program helps students quickly develop a broader range of pharmacy technician knowledge and skills than those professionals trained solely on the job. Students are prepared for national certification through the Pharmacy Technician Certification Board and gain the background necessary to work in both retail and institutional settings. \$1855.

# Medical Administrative Assistant WPG064-63

Online course, registration ongoing
The Medical Administrative Assistant online
training program helps students gain the
specialized skills and business knowledge
needed to successfully manage the day-to-day
administration of a medical facility. Students
learn how to effectively manage front desk
reception, patient scheduling, insurance and
billing, practice finances, and more. Upon
graduation, students are prepared to enter
the workforce and pass the Certified medical
Administrative Assistant exam (CMAA). The
program's online platform provides 24/7
access to the curriculum. \$1,209.

# The Cotton Center is dedicated to the continuing education of real estate professionals by offering a variety of courses and workshops.

#### **WERC Grant Funding Opportunities for Employers**

Through the Workforce Training Fund thousands of Massachusetts employers have received millions of dollars to train employees.
