Total Credits		12/13				

### Overview

Students in the PC Service Technician certificate develop a firm background in the basics of microcomputer systems. Balanced coverage of hardware and software are complemented by thorough treatment of memory, troubleshooting, networking, multimedia, maintenance, as well as DOS and Windows operating systems. This certificate program provides background for A+ Certification testing.

### Career Outlook

Students completing the PC Service Technician certificate are prepared for employment as PC Service Technicians. Students are encouraged to build on the certificate program and eventually obtain a degree at the College.
