## Associate in Science Criminal Justice Program

---

### Overview

Any student whose career plans include probation, corrections, or law enforcement requires not only a broad understanding of the criminal justice system, but also a fundamental knowledge of the social and behavioral sciences.

### Career Outlook

The Criminal Justice program prepares students who intend to enter the fields of Law Enforcement, Corrections, or the Court System.

### Program Outcomes

Upon completion of the Criminal Justice program, students are able to:

- Read, write, discuss, and think critically about topics and ideas in criminal justice.
- Analyze ethical issues in criminal justice.
- Apply ethical principles to the performance of roles and responsibilities in criminal justice careers.
- Synthesize information from the diversity literature in sociology, psychology, history, and criminal justice to determine sensitive and effective interactions with people encountered in criminal justice settings.
- Assume positions in a variety of criminal justice careers.
- Transfer to professional baccalaureate programs.
