### Allied Health Certificate Admission Requirements

Admission into the Allied Health certificates requires that the applicant attend an information session and have an interview. Students must also meet all health requirements (Immunization Requirements) and pass a Criminal Offender Record Information (CORI) and Sex Offender Record Information (SORI) check. To remain in these programs a student must maintain a 75% average in the required courses, a satisfactory clinical evaluation, and adhere to the attendance policy.

### Overview

This 156-hour certificate program teaches basic nursing skills and beginning interpersonal relationship skills. The graduate will be able to provide care to patients of all ages under the direction and supervision of a registered nurse. Day and evening classes offered.

### Career Outlook

There are unlimited employment opportunities for graduates to work in hospitals, nursing homes, assisted living, home care and hospice settings. Graduates are certified as nursing assistants and home health aides and certified in CPR/First Aid Basic Life Support.

### Program Outcomes

Upon completion of this certificate, students are able to:

- Provide basic care in activities of daily living to patients of all ages under the direction and supervision of the registered nurse in healthcare facilities and in private homes.
- Demonstrate basic competence in skills required by state and federal guidelines.
- Communicate a caring attitude and behaviors in all professional interactions.
- Apply principles of patient safety and infection control.
- Pass the state exam both written and skills demonstration and be placed in the Nurse Aide Registry.
