CAPE COD COMMUNITY COLLEGE
ADMISSIONS VIEWBOOK

Your Pathway to Success!
WHY SHOULD YOU GO TO 4Cs?

MISSION STATEMENT

The students’ education is the first priority at Cape Cod Community College. As a learning-centered community, we value the contributions of a diverse population, welcome open inquiry, and promote mutual respect. The College offers a strong educational foundation of critical and creative thinking, communication competency, and a global, multicultural perspective that prepares students for life and work in the 21st century. Our liberal arts, sciences, and career programs provide educational pathways that serve the varied social, economic, and demographic characteristics of our community with a distinctive focus on sustainability. We honor our past, celebrate our present and imagine our future.

Centrally located on historic Cape Cod
Excellent education available day or evening, part-time or full-time
Over 6,500 students from diverse backgrounds
Small classes promote learning & friendships
Dedicated, experienced professors teach all of our courses, not teaching assistants
Attentive, student-centered faculty and staff focus on your success
Services and programs to increase your academic achievements and personal growth

The latest in computer technology
Courses that transfer to other colleges or universities
2+2 degree programs and transfer options to move you up to the bachelor’s degree level
Career planning and placement assistance
Internships and part-time work opportunities
College for $5,000 per year for Massachusetts residents

Cape Cod Community College is strongly committed to serving the diverse populations of this region. Information regarding the admissions process, academic program options, and financial aid is available in Spanish and Portuguese. Please request these materials by calling 1-508-375-4091 or 1-508-375-4092. Leave a message and your call will be returned.

The Affirmative Action Statement is available at www.capecod.edu/web/hr/affirmative-action or on page 6 of the Admissions Application.
Admissions representatives are ready to lead you through our tranquil, 116 acre, wooded campus. Come and experience our inviting atmosphere, complete with a pond, tennis courts, athletic fields, and academic buildings.

Group information sessions are available weekdays. Tours are available by appointment only. To schedule a tour or a general information tour please call 508 362.2131 ext. 4311.

DIRECTIONS TO CAMPUS

From Central and Western Massachusetts
Take Route 495 South to Route 25 East. Follow Route 25 E over the Bourne Bridge. At the Bourne rotary, go three-quarters of the way around and turn right onto Sandwich Road/US 6 Bypass. Continue on Sandwich Road. At the first traffic light, turn right onto the Mid-Cape Connector and merge onto Route 6 East. Follow Route 6 E to exit 6. Take exit 6, bear left at the split, and turn left at the traffic light onto Route 132/Iyannough Road. The College is a short distance up on your right.

From the North
Take Route 93 South to Route 3 South. Follow the signs for Cape Cod, drive over the Sagamore Bridge onto Route 6 East toward Hyannis and Provincetown. Take exit 6, bear left at the split, and turn left at the traffic light onto Route 132/Iyannough Road. The College is a short distance up on your right.

Visit us online at www.capecod.edu. The College web site will give you information on many aspects of the College including courses, events and programs.

ADMISSIONS EVENTS

The Admissions Office hosts many events throughout the year that will provide you with the opportunity to get to know our campus better. Our events are designed to allow you to meet with Admissions representatives, faculty, staff and current students as well as tour the campus. For more information or to register for any of the events listed below, please visit the College web site at www.capecod.edu and select Enrollment Services>Admissions>Campus Visits.

- Chef
- Transfer student from the Culinary Institute of America
- Studying Hospitality Management at 4Cs

“Being a non-traditional student and returning to a college setting may be scary at first but when you come to 4Cs, the students, the professors, they all want to see you succeed.”

“If you have to take one class at a time, there’s no rush. You are here for one reason – to better yourself – and that’s what I see 4Cs doing. It bettered me as a person.”

FAST FACT
4Cs has numerous spaces on campus, including those at our Hyannis Center, that have advanced presentation capabilities to aid in instruction and learning, including:
- 61 presentation classrooms (including classroom computer labs)
- 57 presentation classrooms with SMART technology
- 3 presentation lecture halls with SMART technology
- 3 presentation conference rooms

ACADEMIC COMPUTING FACILITIES
Cape Cod Community College offers a top quality technology infrastructure. Nearly 1,000 computers are connected to a local area network with high speed Internet access. Wireless Internet access is available throughout the campus. All students are provided network storage and backup, email accounts, online registration and bill payment, and access to the College’s Learning Management System. Fifteen personal computer classrooms and laboratories are used for instruction throughout the campus. The Open Lab, with 32 modern computers, printers, and scanners, is available for registered students during school hours, from 7:30 AM until 9:30 PM. Help Desk personnel are available in the Open Lab to assist students with their technology needs.

ONLINE LEARNING
The Office of Online and Learning Technologies supports a variety of online courses that allow for flexible schedules. A student taking online courses or courses with online components is expected to have reliable access to both the Internet and a computer running a recent version of a web browser.

Class lectures and course materials are accessed via the College’s Learning Management System, in a course space set up by the instructor. Assignments and activities are completed in the course space, or submitted online as an attachment.

Proctored testing, required for some online courses, is conducted by the Online and Learning Technologies Office located in the Lorusso Technology Building, Room 215A. For more information, contact the Office of Online and Learning Technologies at 508 375.4040.

Students with disabilities who believe they need accommodations in online courses are advised to contact the O’Neill Center for Disability Services in South 222 as soon as possible, or call 508 362.2131, ext. 4337.
ACADEMIC PROGRAMS

PROGRAMS TO FIT YOUR GOALS

Cape Cod Community College is accredited by the New England Association of Schools and Colleges, Inc. to provide excellent general education and collegiate technical programs leading to the Associate in Arts degree, the Associate in Science degree, or a Certificate. The Associate in Arts degree is intended for students who plan to transfer, as juniors, to a Bachelor’s degree program at another college or university. See page 5 for details on our 2+2 programs and transfer agreements. The Associate in Science degree prepares students to enter directly into their chosen career field, or pursue further study after graduation. Each A.S. degree program incorporates academic subjects, professional skills, and practical experience. Our short-term Certificate programs are designed to teach students specific skills or prepare students for certification or licensure in specialized professions.

*Please note that an AA concentration refers to a recommended group of courses to follow to enhance transfer. It does NOT lead to a specialized degree in a particular area. All students enrolled in the AA concentrations listed above will receive the same Associate in Arts degree upon graduation.

FA = Eligible for Financial Aid
P = Pending approval
N = Not eligible for Financial Aid

The Gainful Employment Program provides students with the information they need to make informed educational choices including total program costs, loan repayment rates, and career outlooks. For more information, please visit www.capecod.edu/web/academics/programs.
Mass Transfer
As a 4Cs student, you are eligible to participate in MassTransfer, a statewide program that guarantees community college graduates admission, full transfer of credit and a tuition discount at any of the 13 institutions within the Massachusetts public higher education system. Enroll in a MassTransfer eligible degree program at 4Cs and watch the benefits add up!

Students who complete a MassTransfer eligible Associate’s degree at 4Cs will qualify for the benefits below.

<table>
<thead>
<tr>
<th>GRADE POINT AVERAGE</th>
<th>BENEFITS</th>
</tr>
</thead>
</table>
| Minimum 2.0 cumulative | • No admission fee or essay  
• Guaranteed full transfer of credits applied to the bachelor's degree, if admitted.  
• Automatic satisfaction of the general education requirements at the receiving institution, with the receiving institution able to add no more than 2 courses, if admitted. |
| Minimum 2.5 cumulative | • Guaranteed admission, plus all of the above benefits. |
| Minimum 3.0 cumulative | • A 33% tuition waiver, plus all of the above benefits. |

Or, set an intermediate goal for yourself – complete the MassTransfer Block at 4Cs!

The MassTransfer block allows students in the Massachusetts public higher education system to complete a portable transfer block which satisfies the general education requirements at the receiving institution, with the receiving institution able to add no more than 2 courses, if admitted. Students who complete the MassTransfer Block at 4Cs with a minimum final GPA of 2.0, will be able to take their MassTransfer Block with them to any of the 13 institutions within the state university system or to any of the 15 community colleges in the state of Massachusetts, if admitted.

career – it’s really worth
thinking about!”
ELIGIBILITY FOR ADMISSIONS
To be admitted to a degree or certificate program, applicants must have earned a diploma from an approved secondary school (high school), or received a state issued high school equivalency certificate (a GED). Students who graduated from a Massachusetts public high school since 2003 must have successfully completed all MCAS requirements. Acceptances are issued on a rolling, space available basis.

APPLICATION PROCEDURES
1. Submit a completed application form to Admissions by the priority filing dates of: August 15th for the Fall semester January 10th for the Spring semester
2. Submit official high school transcripts/GED diploma ONLY IF you:
   • Are a current high school senior, or
   • Have not yet completed your GED coursework or examinations at the time you submit your application, or
   • Are an applicant to a selective health program (Nursing, Dental Hygiene, Diagnostic Technician, Fire Science/EMS, Massage Therapy, Medical Assisting, Medical Interpreter and Paramedic), or
   • Are an international applicant requiring an F-1 student visa
3. Submit official transcripts from all colleges or universities ever attended. International applicants: Please contact the Admissions Office for information on additional requirements.

TRANSFER AND ADVANCED STANDING
• Transfer credit is granted for comparable coursework completed with a grade of "C" (2.0 on a 4.0 scale) or better at an accredited college or university.
• Advanced Standing Credit is granted when official documentation indicates a score in the 50th percentile or better on each CLEP (College Level Examination Program) examination.
• Advanced Placement (AP) credit is granted for AP exam scores of 3, 4 or 5. An official score report must be submitted.
• Advanced standing credit is granted for the International Baccalaureate (IB) Diploma. Up to 30 credits may be awarded for the IB diploma. Higher level examinations with scores of 4 or more will also be considered for advanced credit.

MASS TRANSFER
Students transferring to Cape Cod Community College from any of the 13 institutions within the state university system or from any of the 15 community colleges, are guaranteed transfer of credits through MassTransfer, the new transfer program for the state of Massachusetts. Please see page 5 for more details or visit the MassTransfer website at www.mass.edu/masstransfer.

PROCEDURES FOR ACCEPTED STUDENTS
1. Take the College’s Basic Skills Assessment in English, reading and mathematics. The purpose of the assessment is to match your educational background and needs with the appropriate level of instruction. This ensures that your schedule will be appropriate and increases your chances of success.
2. Meet with an advisor to select and register for appropriate courses.
3. Selective Health Students must submit the required $35 deposit to reserve a space in the entering class. Deposits are due no earlier than May 1st for Fall and December 1st for Spring.
4. Student immunization requirements as written below.

Under the Massachusetts General Law, 105 CMR 220.600, in order to be registered at an institution of higher learning, every (1) full-time student (12 credits or more) and (2) every full-time or part-time student in a health science program who is in contact with patients, must present a physician’s certificate that such student has received the following immunizations:
1. The Hepatitis B vaccine series (3 doses over 6 months).
2. Two doses of live measles, mumps and rubella vaccine(s) (one month apart); birth before 1957 in U.S. is acceptable for college students, except health science students.
3. Two doses of live Varicella vaccine (one month apart); birth before 1980 in U.S. is acceptable for college students, except health science students.
4. Tdap – a single dose of Tdap will be required if it has been more than five years since the last dose of Td (Tetanus Diphtheria); These requirements of the Massachusetts General Law 105 CMR 220.600, shall not apply where:
   1. the student provides appropriate documentation, including a copy of a school immunization record, indicating receipt of the required immunizations; or
   2. in the case of measles, mumps, rubella, varicella and hepatitis B, the student presents laboratory evidence of immunity.
3. the student provides written documentation that he or she meets the standards for medical or religious exemption set forth in M.G.L.c.76, §15C; Students may be registered on the condition that the required immunizations be obtained within 30 days of registration.
4. Tdap – a single dose of Tdap will be required if it has been more than five years since the last dose of Td (Tetanus Diphtheria); These requirements of the Massachusetts General Law 105 CMR 220.600, shall not apply where:
   1. the student provides appropriate documentation, including a copy of a school immunization record, indicating receipt of the required immunizations; or
   2. in the case of measles, mumps, rubella, varicella and hepatitis B, the student presents laboratory evidence of immunity.
3. the student provides written documentation that he or she meets the standards for medical or religious exemption set forth in M.G.L.c.76, §15C; Students may be registered on the condition that the required immunizations be obtained within 30 days of registration.

Massachusetts Department of Higher Education’s specific health and immunization requirements www.capecod.edu/web/registrar/immunization

ADMISSIONS POLICY
Applicants are accepted according to the Massachusetts Department of Higher Education’s “open door” philosophy. You will be accepted on a first-come basis if:
1. You are eligible, and
2. You have completed the application procedures, and
3. A vacancy exists in your elected program of study.
This policy does not apply to the Dental Hygiene, Nursing, Paramedic, Medical Assisting, Massage Therapy, Diagnostic Technology or Medical Interpreter programs. See page 9 for more details on these programs.
All candidates must submit an application to the selective program they are interested in, regardless of whether they are or have been a matriculated student in another program at the College. New students must complete the English, reading and mathematics basic skills assessments at 4Cs. Required developmental education courses must be completed prior to enrollment in the Selective Health Programs. Admissions to Nursing, Dental Hygiene and Paramedic is for the Fall semester only.

All accepted students must submit, prior to the first day of classes, documentation of compliance with all health requirements to the Office of Student Immunization Records. Failure to submit the documentation will result in the removal from Selective Health Programs.

Admissions decisions for each program are based upon review of all program applicants. Priority is given to applicants who have completed the pre-requisites, have taken additional science courses or general education courses* required for the program, who present the strongest academic records, and who have related work or volunteer experience. Attendance at a program specific information session is strongly encouraged in Nursing and Dental Hygiene. Information sessions and advising interviews are required for Paramedic, Massage Therapy, Medical Interpreter and Medical Assisting.

Once selections are made, remaining qualified applicants are placed on a waiting list. This list is maintained until the first week of Fall classes, then it is dissolved.

NURSING
• Fully approved by the Massachusetts Board of Registration in Nursing
• National League for Nursing Accreditation
• Application deadline is January 5
• A letter/resume regarding your interest, background, experience, etc. must accompany the application
• Minimum pre-requisites include:

a. CHM109 Chemistry for the Health Sciences with a laboratory (or an equivalent college/university chemistry course with a laboratory)
b. BIO107 Human Anatomy & Physiology I with a lab, or a college level equivalent
c. NUR100 Pharmacology Calculations within the last two years

Evening Nursing and the LPN to RN program require additional pre-requisites. Contact Admissions for details.

*Additional science and general education courses can include: Anatomy & Physiology I & II, Microbiology, English Composition, Human Communication and General Psychology. Check your program of interest for program specific courses.

DENTAL HYGIENE
• Accredited by the Commission on Dental Accreditation, fully accredited by the American Dental Association
• Application deadline is February 1
• A letter/resume regarding your interest, background, experience, etc. must accompany the application.
• Work or volunteer experience in a dental office is recommended
• Minimum pre-requisites include:

a. MAT030 Elementary Algebra or equivalent within the last 5 years
b. Successful completion of chemistry with a lab within the last five years. CHM109 Chemistry for the Health Sciences I or an equivalent college/university chemistry course must be completed prior to enrolling in the program
c. An overall Grade Point Average (GPA) of 3.0 (on a 4.0 scale) or better
d. An overall GPA of 3.0 or better in mathematics and science courses
• Priority will be given to the candidate who has taken additional courses to fulfill the core requirements

Please Note: As in any healthcare environment, students in the dental hygiene program may have risks of exposure to infectious diseases. The dental hygiene program adheres to all state and federal regulations to reduce the risk of healthcare associated infections. Individuals who disclose the presence of bloodborne infectious diseases will be shown the same consideration as non-infected individuals and will be offered reasonable accommodation. Information regarding health status of an individual is considered confidential, and protected by the Family Education Rights and Privacy Act of 1974.

ALLOYED HEALTH CERTIFICATES
Applicants for the Allied Health Certificates are required to attend a program specific information session. Arrangements can be made by going to www.capecod.edu. Select Enrollment Services> Admissions> Campus Visit and follow the instructions. The Director of Admissions and Program Coordinators host the sessions.

Diagnostic Technician
• Applicants should call 508.362.2131 ext. 4452 for the schedule of the required information sessions.
• An advising interview with the Program Coordinator is required.

Massage Therapy Certificate
• An advising interview with the Program Coordinator is required after attendance at an information session.

Medical Assisting Certificate
• An advising interview with the Program Coordinator is required after attendance at an information session.

Medical Interpreter Certificate
• Fluency in English and one or more target languages, such as Portuguese or Spanish, as well as sensitivity to the people and cultures associated with the target language are required.
• A Target Language Assessment will be administered by the Program Coordinator.

Paramedic Certificate/ Fire Science EMS
• Applicants must submit a copy of current certification in Massachusetts as an EMT-Basic.

Tri-level Nursing Assistant/Home Health Aide Certificate
• Applicants for the Allied Health Certificates must submit an application to Nursing, Dental Hygiene and Paramedic.
• Applicants should call 508.362.2131 ext. 4452 for scheduled dates and times of the information sessions.
• An advising interview with the Program Coordinator is required.
GET INVOLVED

The Student Life Office plans cultural and social activities, as well as your orientation and commencement. Students are encouraged to participate in the wide variety of clubs, organizations, and events at 4Cs. Involvement on campus is an integral part of your educational experience. Join in!

STUDENT CLUBS AND ORGANIZATIONS

- Academic Support Group
- Art/Printmakers Club
- Cape Cod Young Professionals Club
- Caritas
- Dance Club
- Debate Club
- Dental Hygiene Club
- Economics Club
- Gay/Straight Alliance Club
- Honors Club
- S.T.A.R.T. (Students Achieving Recovery Together)
- Student Senate
- Students for Sustainability
- Unity Student Coalition

STUDY ABROAD

Our International Studies program allows 4Cs students the opportunity to study in countries around the globe. Students may participate in faculty led study tours or in semester, year long, or short-term programs through our membership in the College Consortium for International Studies.

LIFE FITNESS CENTER EQUIPMENT

- Elliptical Machine
- 14 Circuit Training Stations
- Free Weights
- Life Cycles
- Rowing Machines – Concept II
- Schwinn Air-Dynes
- Stair Masters
- Treadmills
- Universal Gym

PLAYING FIELDS

- Baseball Field
- Basketball Courts
- Gymnasium
- Life Fitness Center
- Racquetball Court
- Six Tennis Courts with Practice Area
- Softball Field

For more fitness information, call 508 362.2131 ext. 4368.

STAY ACTIVE

Your wellness and fitness can influence your college success. 4Cs offers a variety of enjoyable options designed to help you maintain and increase strength, stamina, energy, and physical fitness, while you relieve stress. Our recreational activities and intramural programs provide opportunities to stay active or compete with classmates. The Life Fitness Center at 4Cs offers indoor and outdoor facilities and exercise equipment to help you stay fit.

RECREATIONAL INTRAMURAL ACTIVITIES

- Badminton
- Basketball
- Floor Hockey
- Racquetball
- Softball
- Tennis
- Volleyball
- Weight Training
- Yoga/Pilates

Activities are primarily offered during daytime hours.
ACADEMIC ADVISING
Each student is assigned an advisor, who helps you plan your academic program, make career decisions, and discuss academic concerns on a day-to-day basis. Your advisor is also a resource person, directing you to other services on campus that can address your specific concerns. Academic advisement is also available in the Advising Center during the day and evening.

FIRST YEAR SUCCESS
First Year Success is designed specifically for full-time students who are enrolled for the first time in college. Advisors provide comprehensive academic support, answer questions, and help students navigate the challenges that face new students during the first year. We direct students to all the varied resources available at the College that support academic concentration and completion. Our services include helping students develop college readiness, creating an academic plan, goal setting, career exploration, guided homework, community outreach, and other engaging activities. The First Year Success office is open 8:30 am to 4:30 pm, Mon. through Thurs. and by appointment. 206 C Upper Grossman Commons 508-362-2131 x4900
Email: firstyearsuccess@capecod.edu

COUNSELING SERVICES
The College provides counseling and referrals to behavioral health specialists. Campus and community resources provide the support you need to succeed in your academic endeavors.

ACADEMIC SUPPORT PROGRAMS
The College offers a variety of academic support services to help you succeed at no cost to registered students: from workshops on student success strategies (check for announcements) to study groups and individual tutoring.

TUTORING CENTER
For students who want additional help with course content and assignments, the Tutoring Center is where students can schedule free one-to-one tutoring appointments on any subject. Tutoring is provided by professional and trained peer tutors.

MATH LEARNING CENTER
The Math Learning Center is available to students who want to study in small groups, work on homework assignments, work with a tutor on a drop-in basis, and refer to other textbooks.

• AS Nursing
• Critical care nurse at Boston Medical Center, Milford Hospital and Cape Cod Hospital

“Trina is unmatched. Because it is a small school and the nursing program is small, they can do that.”

“If you don’t take that step today, you don’t know where you will be tomorrow. You just have to jump off the curb and take the chance and if you want something bad enough, there is someone here at the College that will help you make it happen.”
E-TUTORING
E-tutoring is available to registered students for many subjects via the College's web site. You do not have to be taking an online course to get online tutoring! See the web site for more information.

READING AND WRITING/RESOURCE CENTER
Offered to students who want assistance with writing assignments for any course, professional and trained peer tutors provide guidance for any writing assignment, including lab reports! The Reading and Writing Resource Center is a walk-in service and appointments are not necessary.

HEALTH INSURANCE
Under the Massachusetts Mandatory Health Insurance Law, each college must require all students carrying nine credits or more in the Day or DCE Divisions to participate in the student health insurance program or in a health insurance program with comparable coverage. The premium charge for Cape Cod Community College Health Insurance Plan will appear on your bill. If you have comparable coverage and do not want to pay for additional coverage through the College, you must waive participation in the Cape Cod Community College Insurance Plan by visiting the web site at www.commonwealthstudent.com, after you have been accepted and registered for classes.

HOUSING
The Student Life Office has compiled a housing directory for referral to area landlords, realtors and motel owners. Listings of rooms, houses, efficiencies, apartments and roommate requests are available.

CHILD CARE
The Children's College is a professionally staffed child care center open from 7:15 AM to 5:15 PM that provides structure and flexibility to meet the needs of your child in a small and friendly environment. Children from 2 years 9 months to 7 years of age are eligible for enrollment in the nationally accredited preschool program. The Children's College acknowledges the hectic lives of parents and allows for flexible scheduling.

WILKENS LIBRARY
The Wilkens Library will be an indispensable part of your learning experience. The dedicated, friendly staff will assist you with your information and research needs utilizing books, periodicals, digital resources and multimedia materials. The CLAMS library system, journal and newspaper databases, and research instruction are available to students both on and off campus.

ACADEMIC COMPUTING FACILITIES
4Cs academic computing facilities consist of fifteen personal computer classrooms and laboratories. The attended open lab is available for registered, full-time and part-time students during school hours, from 7:30 AM until 9:30 PM and on weekends from 7:30 AM until 4:00 PM. Approximately 400 student-use computers support spreadsheet, word processing, database, graphic design, and other course-specific software.

CAREER SERVICES
Career Services and Experiential Learning assists students with career planning, job search, and internships/co-op. Appointments with a career counselor are available for career selection, resume writing, interviewing skills, internship/co-op preparation and Prior Learning Assessment guidance. Assessment instruments are available to help students identify careers that might be a good match for their interests, skills, values, and personality preferences. Web resources allow students to research career fields, employment trends, salaries, etc. Students may also browse job opportunities online and connect with employers on campus throughout the year. The office is located in South Building, room 229.

STUDENT EMPLOYMENT
The Student Employment Office helps students find part-time and seasonal jobs, provides resume critiques, and offers on-campus recruiting options. Working part-time while in school makes students more marketable upon graduation. The Student Employment office is located in South Building, room 215.

COACHES & MENTORS
Coaches & Mentors is a comprehensive student support services program that provides assistance to students from the first day they arrive on campus to the day they graduate. Services include academic advising, career counseling, study skills instruction, workshops, and job placement assistance. This program is especially beneficial for adult re-entry students, students with disabilities, students with limited English proficiency and students who enrolled in a non-college bound concentration in high school.

For over twenty-five years Coaches & Mentors has helped students develop a positive connection to community college life. The program prides itself on supporting each student to reach his/her continued on page 13 ...
potential through a caring and supportive environment. Funding for this program is provided by allocations to the Massachusetts Department of Education through the Carl Perkins Career & Technical Education Improvement Act of 2006. For more information, call 508 362.2131, ext. 4353 or visit Coaches & Mentors office located in South 234.

ADVANTAGE/TRIO/STUDENT SUPPORT SERVICES
The key to academic success is encouragement. Both academic and personal challenges can affect student success. The Advantage/TRIO/SSS Program provides students with encouragement, academic and personal advising, tutoring services, goal setting cultural, enrichment and a wide variety of career and academic workshops to ensure academic success. If your goal is to graduate with an Associate’s degree from Cape Cod Community College and transfer to a four-year institution, and you are either a first generation college student, or low income, or have a documented learning and/or physical disability and have a compelling need for additional student services, Advantage/TRIO/SSS Program is here to help. For more information contact the Advantage/TRIO/SSS office in South Building Room 221 at 508 362.2131 ext. 4321 or advantageprogram@capecod.edu.

DISABILITY SERVICES
The College is committed to ensuring equal access to all academic programs, activities, and services. Qualified individuals with disabilities are assessed on a case-by-case basis to provide appropriate and reasonable accommodations. Disabilities may include, but are not limited to, such diseases and conditions as: orthopedic, visual and hearing impairments, specific learning disabilities, and psychiatric disabilities.

Support services may include:
• Reading/taping and notetaker services
• Sign language interpreters
• Training in use of adaptive technology
• Support groups

To qualify, a student must meet with a disability services specialist and submit appropriate medical documentation of the disability. Students requiring these services are encouraged to make an early application to the College and contact the O’Neill Center for Disability Services at 508 362.2131 ext. 4337 to assess their special needs.

CROSS-REGISTER
Full-time 4C’s students may cross-register at one of eight colleges in the Southeast Association for Cooperation in Higher Education (SACHEM) at no additional cost. A list of participating institutions is available at the Registrar’s Office.

VETERAN’S SERVICES
Cape Cod Community College welcomes and appreciates our veterans. The College has VA approval for educational training of veterans and their dependents. The Veterans Affairs Office is part of the Financial Aid Office. Veterans receive assistance in obtaining educational benefits such as tuition waivers and monthly GI Bill education payments. The office provides application materials, contact information, and certifies enrollment. If a veteran has earned college credits at other institutions, the Registrar’s Office evaluates all transcripts, CLEP, and

MERCY 25
• International Student from Zimbabwe
• Studying hospitality management at 4Cs

“There are a lot of things I like about the College but the most outstanding is the diversity. There are people from all over the world at this college. That is what makes it very unique and special.”

“My experience at 4Cs has taught me a lot. I’m more independent now. It teaches you life skills.”
Email is an official method of communication at Cape Cod Community College intended to meet the academic and administrative needs of the 4Cs community. The College has the right to expect that all academic and administrative communications sent through the College's official email system are received and read in a timely fashion. A "timely fashion" is defined as within 2 to 3 days when the College is in session. To enable this to happen, the College provides all students registered in credit-bearing courses with a standardized College-issued email account. That account is an official vehicle for all College related communications and should be monitored regularly. Not checking one's email account is not an acceptable reason for missing official College messages or information.

DANTES test results promptly to facilitate class selection.

The College offers an array of counseling and referral services to assist students by providing the necessary support to reach their academic goals. Many of our veteran students take advantage of our Adult Learner Services Office (see page 18 for more details).

For more information on veteran's benefits, please refer to the Veteran's Benefits and Services section on page 16.

SUSANA 57
• Career-changing single parent
• Emigrated from Venezuela
• Studying math at 4Cs

“I think 4Cs is a great place to come; even if you are an older student, a single parent or you are different from the common student. People who work here are going to make you feel like you belong.”

“In the Advising Center they are not just doing their job, they made me feel like they really love what they do.”
Full-time Tuition and Fees per Year*
Massachusetts residents $ 5,010
Non-residents $ 11,190

Part-time Tuition and Fees* (per credit hour)
Massachusetts residents $ 167
Non-residents $ 373

Other Yearly Fees to Anticipate
Books and supplies (estimate) $ 1,200
Health Insurance (mandatory) $ 1,603
Technology Fee (mandatory) $ 80 ($40 per semester)
Dental Hygiene Fee $ 100 ($50 per semester)
Nursing Program Fee $ 400 ($200 per semester)
Paramedic & EMT Fee ($75 per semester) $ 150

All obligations to the College must be paid prior to the date listed on your tuition bill. Payment plans are available.

Sample Yearly Budget for a Full-Time Student at 4Cs

Tuition (in-state) $ 720
Student fees $ 4,370
Health insurance $ 1,603
Books and Supplies $ 1,200
Room and board
- living with parents $ 3,100

Personal expenses $ 1,356
Transportation $ 2,500
Total expenses: $ 14,849 to $ 20,749

FAST FACT
The College strongly encourages all students to apply for financial aid. Over $7.7 million is awarded annually.

FAST FACT
College for approximately $5,000 a year. For the 2013-2014 academic year, Massachusetts residents paid only $5,010 dollars in tuition and fees to study on a full-time basis (based on 15 credits per semester).

4C’s Financial Advantage
You’re Saving Tens of Thousands of Dollars!

| Four years at a private, baccalaureate university | $175,880 |
| First two at 4Cs, last two at that private university | $ 97,960 |
| **YOU SAVE!** $ 77,920 |
| Four years at a state university | $ 53,032 |
| First two at 4Cs, last two at that state university | $ 36,536 |
| **YOU SAVE!** $ 16,496 |
| First two years at 4Cs | $ 10,020 |

This chart represents the comparable costs of tuition and fees only. It does not take into account other expenses including room & board, health insurance, books and supplies, transportation or other personal expenses that college students incur.
Financial aid consists of scholarships, grants, loans, and employment opportunities to help students who lack sufficient financial resources to attend college. Assistance completing the process is available in the Financial Aid Office.

TO APPLY FOR FINANCIAL AID:
1. Complete the Free Application for Federal Student Aid (FAFSA). Apply on-line at www.fafsa.gov. 4Cs FAFSA code number is 002168.
2. For priority consideration, submit the FAFSA by May 1 prior to enrolling. Late applications will be considered if funds remain available. After reviewing the FAFSA, the College’s Financial Aid Office determines student eligibility for federal, state, and college grants, loans, and work study. For further information and inquiries about financial aid, contact our Financial Aid Office at 508 362.2131 ext. 4393.

All regulations, fees, and information in this document are subject to change at the discretion of the Department of Higher Education and Cape Cod Community College.

TUITION WAIVERS
Tuition waivers cover the amount of tuition only, not fees. Tuition is approximately 15% of the class price. Tuition waivers may be granted to Massachusetts residents who are:
- Sixty years of age or older; or
- Native American; or
- A veteran who served active duty; or
- Any active duty service person; or
- A client of Massachusetts Rehabilitation Commission or the Commission for the Blind; or
- A recipient of the John and Abigail Adams or Stanley Koplik Certificate of Mastery for MCAS results; or
- A student whose parent or spouse was a victim of the September 11, 2001 tragedy; or
- An adopted or former foster child through the Department of Social Services (until age 24).
- Beginning in 2014, all tuition waiver recipients must complete the FAFSA.

Under the GI Bill, many veterans receive assistance through the VA which may be in the form of tuition, fees, books, and monthly living stipends. The amount varies with each veteran’s situation and with the number of credits per term. Spouses and children of veterans may also qualify for education benefits. The College also participates in the VA Vocational Rehabilitation program.

The VA provides an online application for benefits at www.gibill.va.gov. Veterans should apply for a degree or certificate program through the Admissions Office. Once registered, the Financial Aid Office will certify and monitor enrollment.

Massachusetts National Guard Reimbursements
If you serve in the Massachusetts National guard, you may be eligible for 100% tuition and fee reimbursement. Contact your National Guard Education Office to request a Certificate of Eligibility; then submit it to the Financial Aid Office. For more information visit: http://mro.chs.state.ma.us/tuition/login.aspx

TYPES OF FINANCIAL AID
Federal Pell Grant
Federal Supplemental Education Opportunity Grant
Federal Work Study
Federal Direct Student Loans
MassGrant
MA Cash Access Grant
MA Part-Time Grant
MA Need-Based Tuition Waiver
MA Categorical Tuition Waiver
4Cs Whitehouse Scholarship
4Cs Gap Grant
4Cs Educational Foundation Scholarships

Veteran’s Benefits and Services
The Commonwealth of Massachusetts provides its Veterans, National Guard members, and Active Duty military stationed in Massachusetts with tuition waivers. For Veterans and Active Duty military, the waiver is approximately a 15% discount on each class. MA National Guard members may receive full tuition and fee coverage.

Dave 24
- Took online courses at 4Cs while on tour with his band
- Currently studying business at UMASS

“For people that seem a little embarrassed like ‘Oh, it’s 13th grade’, it’s not – it’s whatever you make it. I think community college is a great opportunity for people. It has opened up a lot of doors for me.”
SUSTAINABILITY AT 4Cs

The College’s commitment to the environment goes far beyond recycling. The Lorusso Technology Building is the first LEED certified building funded by the state of Massachusetts. This building used many environmentally sound techniques and products in the construction and excavation phases. This structure has its own water reclamation system, solar powered energy and many other energy cost saving systems in place.

In addition to the Lorusso Technology Building, 4Cs has committed to environmentally sustainable practices in other ways:

• The College has a solar powered trash compactor
• The cafeteria has an area for recycling, composting and refuse
• The cutlery in the cafeteria is made of cornstarch products
• The campus has designated portions of the grounds as meadows
• Carpooling is promoted through priority parking spaces and MassRIDES incentives
• The College is undergoing upgrades to our 1970s-era electrical and wastewater systems which will allow us to be more effective and efficient in both safety and in reducing our environmental impact
• The College offers several energy and environmentally based degrees, courses and certificate programs

The College, in partnership with Turning Mill, installed over 600 kw of photovoltaic generated power through the cooperative PV installation project. This project added 2700 solar panels at the College including ground based, rooftop, and carport installations. The carports also include electric vehicle recharging stations.
PROJECT FORWARD is a vocational skills training program at Cape Cod Community College for students with significant learning difficulties. Courses are designed to help students gain employability skills through a combination of classroom instruction at 4Cs and work site learning experiences. Call 508 362.2131 ext. 4763 or email pdaley@capecod.edu for more information.

ACADEMY FOR LIFELONG LEARNING (ALL) is an Elderhostel Institute Affiliate and a member organization at the College for people age 50 and over. ALL offers as many as thirty study groups per semester on topics ranging from Great Books to Opera to current events. A complete list of current study group offerings is available by calling 508 362.2131 ext. 4400.

ADULT COLLABORATIVE OF CAPE COD FOR EDUCATION AND SUPPORT SERVICES (ACCESS) offers free classes in English for Speakers of Other Languages (ESOL), and General Education Development Certificate (GED) preparation at the College's Hyannis Center and in other locations around Cape Cod. College transition programs are also available. Please call 508 362.2131 ext. 5000 for program information.

WORKFORCE EDUCATION RESOURCE CENTER (WERC) at Cape Cod Community College provides cost-effective, high quality training and educational programs designed to meet the professional development needs of local businesses and organizations.

For more information, or to organize a training program for your company, call the WERC office at 508 375.5010 or email WERC at werc@capecod.edu. Visit our web site at www.capecod.edu/werc for a listing of our current classes including on-line offerings.

COTTON CENTER FOR REAL ESTATE STUDIES The Cotton Center for Real Estate Studies, established with a generous contribution by Jack and Ann Marie Cotton, is dedicated to the education and continued professional development of real estate professionals and the mentoring of those new to and seeking to enter the profession.

For further information about the Cotton Center for Real Estate Studies, please call 508 375.5010.

HIGGINS ART GALLERY The mission of the Higgins Art Gallery is to host an artist in residence each semester, present two shows per semester of current work (including 4Cs student work) and to support arts education and to further the mission of the Department of Arts and Communication at 4Cs and in the community. Admission to the gallery is free and open to the public.

ZAMMER HOSPITALITY INSTITUTE The College is proud to be the home to the Linda and William Zammer Institute for Hospitality and Culinary Studies. It is the pathway for students into well-paying hospitality and culinary careers, and is a vehicle through which the College quickly responds to the ever changing needs of the region's hospitality and service-based economy.

ADULT LEARNER SERVICES Adult Learner Services at Cape Cod Community College assists adults transitioning to college. Whether you are taking courses, finishing a degree, updating your skills or starting a new career or business venture, our advisors and adult learner specialists are here to guide and support you as you retool and reinvent yourself. Services include one-on-one advising, career and life coaching, resume and job search assistance, coaching for the College Placement Test, and assistance in the use of technology. Adult Learner Services is funded partially through the American Association of Community Colleges Lumina Grant. For more information, please visit www.capecod.edu/web/advising/adult-learner or call the Advising Center at 508 362.2131 ext. 4318.

THE PATHWAYS PROGRAM is a free outreach service providing area high school students access to information about higher education. Throughout the school year, the admissions team will meet with seniors in partner high schools who want to look more closely at the options for continuing their education. For more information, please visit www.capecod.edu or call 508 362.2131 ext. 4311.

GED TESTING CENTER The GED Testing Center is located in the Grossman Commons Building, room 206D and offers information on the GED Test and GED Test registration. For more information, call 508 362.2131 ext. 4450/4678 or visit online at www.capecod.edu/web/academics/ged-exams.

HYANNIS CENTER The Hyannis Center, located at 540 Main Street, Hyannis, offers free educational assistance for adults who need to improve their basic reading, writing, and math skills. The Center offers English for Speakers of Other Languages classes and preparation for the High School Equivalency Test (GED). Workplace education in the basic skills area, ESOL, and college transition are also available. The Hyannis Center offers selected non-credit classes related to community interest, job training, computer program, and college credit classes. For more information, call the Center at 508 375.5000.
