Student's Full Name: _____ **CCCC ID#:** _____

Your FAFSA has been selected for a process called Verification. The College must collect this documentation to confirm information reported on the FAFSA. Please respond promptly.

Note: The instructions below apply to the **Parent(s)** whose information is listed on the FAFSA.

In the parent financial section of the FAFSA, there are questions to determine if your parent qualifies to use the IRS Data Retrieval Tool (DRT) to link tax information. One of those questions asks if your parent submitted an amended (corrected) **2018** IRS tax return after they submitted it to the IRS. Your parent answered yes to the question.

Please complete the appropriate section below:

- Yes, I (the student's parent) did make corrections to my **2018** IRS tax return after submitting it to the IRS for processing. Provide copies of both documents listed below.
 - Attach a signed copy of the parent(s) **2018** form 1040X showing the corrections made.
 - Attach the parents(s) **2018** IRS Tax Return Transcript (request online at www.irs.gov) if it is listed as a missing document on your cover letter or CampusWeb under My Financial Aid.

- No, I (the student's parent) did not make corrections to my **2018** IRS tax return after submitting it to the IRS for processing. Complete one of the items listed below.
 - Update the FAFSA by logging in at www.StudentAid.gov and selecting the link to make a correction. At the parent financial section, answer the questions for the DRT link. Answer the question about an amended tax return correctly and follow the prompts to link the tax information. Be sure to sign and submit the FAFSA – you will receive a confirmation number at the end.
