Cabinet met on April 2, 2008, and discussed the following:

1. **Leadership Development Opportunities.** Discussion of various leadership professional development opportunities for managers including CCLA (Community College Leadership Academy) for upper level managers, the CONNECT Leadership Development Program for mid-level managers, and the Community Leadership Institute (CLI).

2. **Nellie Mae Funding.** Discussion on possible funding opportunity through the Nellie Mae Foundation for the College Connections program. Someone needs to represent the College at their May 12th conference in Nashua, NH, but that is the same day as College Meeting.

3. **Strategic Plan Draft.** Dick Rand attended for this discussion item. Reviewed the draft plan and discussed editing, formatting, and timeline for revisions. The revised draft plan will be emailed to the College community by Wednesday, April 9th and will be on the Admin. Council agenda. It will be presented at College Meeting on April 14th with a vote scheduled for the May meeting. Kudos to Dick Rand and the Strategic Planning Committee for all their hard work.

4. **IR Search.** Reviewed and edited the vacancy notice. Chet will post it on the website today.

5. **Trustee Agenda.** Discussion on the various exhibits to be included in the Trustee packets for April. Facility use, parking and student fees will be the major discussion items.

6. **AA/Diversity Component.** Mikel gave an overview of his first few weeks on campus. Discussion on documenting diversity recruitment efforts, compliance issues for signage in different languages, and on-line training course on sexual harassment. The President will explore purchasing the sexual harassment course as possible partnership opportunity for all 15 community colleges.

7. **Calendar of Student Surveys.** Discussion on the Noel Levitz and CCSSE surveys schedule and recommendations for changes. President Schatzberg will discuss the proposed changes at the next Presidents’ Council meeting.
