Staff Assistant (P/T)

William Ormsby
Staff Assistant (PT)

508-362-2131 x4320

Get Started on the Right Foot!
The Student Development Office will give you the opportunity to experience college in a way that expands beyond academics. Student Development offers a social environment that is essential for today's college student. Our office promotes a balance between educational, cultural, developmental and social components that will make your college experience enjoyable and fun.

The Student Senate is another way for students to become involved. We would like to encourage you to get involved with the Senate. This group of students is the voice for the entire student body. They will advocate for active student participation in college affairs and governance, protect your rights as students, and represent the student interests on college committees.

Join the Student Senate and make your voice count!

The Student Development Office supports many events on and off campus. Our on-campus programming efforts include Spree Day, Movie Night, educational seminars, and entertainment events... just to name a few. We also offer discount tickets to the movies, King Richard's Fair, Six Flags and theatre and sporting events in the Boston and Providence areas.

We have many opportunities for you to enjoy while you obtain your education here at CCCC. We hope you will take the time to stop by the Student Development Office and see how you can become involved on campus.
