WHAT IS JOINT ADMISSIONS? *
The joint admissions program is an exciting opportunity available to Massachusetts community college students who graduate from an approved academic program. Joint Admissions guarantees participating students admission to the University of Massachusetts and most Massachusetts State Colleges.

WHAT ARE THE BENEFITS? *
Guaranteed admission - 4Cs students who graduate with a 2.5 or higher GPA from approved associate degree programs (see list on back) are guaranteed admission to at least one of the 12 participating Massachusetts Universities or State Colleges.
It's easy - There are no essays, test scores, or application fees to submit.
KeePs your options open - Through Joint Admissions you can secure admission to up to 12 public universities and colleges without deciding until your final semester, which one you will attend. It also does not commit you to any of the universities or colleges; you are free to explore other transfer options.
Pay less for your first 60 credits – Classes at the community college cost less, saving you a minimum of $2000.
Receive a great education - 4Cs offers small classes taught by experienced, student-centered faculty. You will benefit from their expertise, experience and individual attention.
Get good advice - Our caring specialists provide academic advising and transfer counseling.
Convenience - Study on Cape Cod at our campus for at least half of your bachelor's degree. Take day or evening classes on a part-time or full-time basis.
Potential eligibility for the Tuition Advantage Program (see below)

HOW DO I SIGN UP? *
1. Enroll in one of the approved associate degree programs at 4Cs (see list on back).
2. Graduate from 4Cs in one of the approved programs with a 2.5 or higher GPA.**
3. Visit the 4C’s Transfer Office (Commons 206E). There you will find assistance with the best choice of courses for transfer, and assistance with college choice.
4. Send an “Intent to Enroll” form to the college/university (or colleges/universities, if you haven’t decided) you plan to attend, in your final semester at 4Cs. Priority deadlines are October 15 and March 1 (Framingham State College – Feb. 15). ***
(You are not eligible for Joint Admissions with a particular college if you were enrolled as a matriculated student at that college in the past.)

WHAT IS THE TUITION ADVANTAGE PROGRAM (TAP)?
Joint Admissions graduates with a 3.0 GPA or higher are eligible for TAP upon enrollment at a Massachusetts state college or university. TAP gives students enrolled in state-supported classes (usually day classes) a 33% reduction in the cost of in-state tuition (not fees). TAP is automatic if a student enrolls within one year of graduation from the community college, graduates with a 3.0 GPA or higher and the receiving institution receives a final official transcript indicating graduation.
* For full details, see the Transfer Counselor in the Transfer Office (Commons 206E)
** Don't forget to apply for graduation by the deadline dates
***Priority deadlines are subject to change and are not always the final deadline
