The Associate Degree in Nursing Program is accredited by the National League for Nursing and is approved by the Board of Registration in Nursing of the Commonwealth of Massachusetts.

The Nursing Program offers a specific sequence of courses that lead to the Associate in Science Degree. Upon successful completion of the degree program, the Chairperson of the Nursing Department will furnish documentation to the Massachusetts Board of Registration in Nursing verifying that a student has met the legal responsibilities to be eligible for the National Council Licensure Examination for Registered Nurses (NCLEX).

Cape Cod Community College (CCCC) Nursing Program graduates become licensed as Registered Nurses upon successful completion of the NCLEX.

In preparing your application, the Admissions Office and Nursing Department recommend that you review the following information:

**Information Sessions:**
All Nursing applicants are encouraged to attend a Group Information Session that will include meeting with Nursing faculty and CCCC administrators, as well as a review of application procedures and details about the Nursing Program. These sessions are scheduled periodically throughout the fall semester. Please contact the Admissions Office at (508) 362-2131 x 4311 to sign up for a Group Information Session.

**Qualifications for Admission:**
Satisfactory performance in the most recent educational experience is required and must include:

- Successful completion of Algebra (MAT030), Elementary Algebra or the equivalent.
- Successful completion of NUR 100 Pharmacology Calculations within the last two years. At CCCC, MAT030 Elementary Algebra is a prerequisite for this course.
- Successful completion of CHM 109 Chemistry for the Health Sciences (or an equivalent college/university chemistry course). At CCCC, MAT030 Elementary Algebra is a prerequisite for this course.
- Successful completion of Human Anatomy & Physiology I with a lab (BIO107 or the equivalent). At CCCC, MAT030 Elementary Algebra and CHM109 Chemistry for the Health Sciences or an equivalent college/university chemistry course are prerequisites for this course.

Nursing applicants with previous college credit may have fulfilled one or more prerequisites at another college or university. Transfer credit may be awarded if official transcripts show equivalent college-level course work.

**Application Procedures:**
A. Nursing applications are accepted ONLY for the FALL SEMESTER.

B. Each applicant will be evaluated relative to all other applicants in the current pool.

C. Applicants MUST submit all of the following items to the Admissions Office:

- A completed CCCC Application for Admission with the appropriate application fee by January 5.
- An official high school transcript or GED score report.
- An official transcript(s) from all colleges or universities ever attended (if applicable).
- A letter and/or resume indicating the reasons for selecting the Nursing Program, related experiences, motivation and other pertinent data. Applicants should take this opportunity to provide information covering any special circumstances in their background.

**Evening Option:**
For information on the evening option of the Nursing Program, please contact Barbara Murphy at (508) 362-2131 x4359.
